(Tutoring is also available for ALEKS math courses during any scheduled ALEKS course in the Math Emporium (Room 115). ALEKS math instructors are on hand to provide support.)

**Chemistry:** 12:30 pm—1:30 pm on Mondays/Wednesdays

(Would you like chemistry help outside of these hours? Look at the Power Hour schedule! Dr. Motry and Dr. Redfearn are both available to provide chemistry assistance.)

All peer tutoring takes place in the Academic Learning Commons (Room 108), the space now shared by both the Salem Campus Library and the Learning Center.

Walk-ins are always welcome, but scheduled appointments are recommended. If you would like to schedule an appointment (or if you have any questions), just stop in and see us in the Academic Learning Commons, or call us at (330) 337-4213 or (330) 337-4146.
